Sources: Co-sponsorship of bills based on Library of Congress' Thomas Legislative tracker (<http://thomas.loc.gov/>) and news reports.

Estimates of asthma prevalence were compiled by NRDC to match congressional districts using county-level data from the American Lung Association's "Estimated Prevalence and Incidence of Lung Disease by Lung Association Territory" which can be found at <http://www.lungusa.org/finding-cures/our-research/trend-reports/estimated-prevalence.pdf>.

Campaign contributions are from OpenSecrets (<http://www.opensecrets.org>) and from the Federal Election Commission (<http://www.fec.gov>)
